

Celebrating Growth

Thank you once again for your continued support of UpTurnships. Each October, we come together and raise a toast to the previous year's success. Over the past 12 months, UpTurnships has continued its remarkable growth.

With your help, UpTurnships has:

- Increased the number of students we serve by over **400%**
- **Doubled** full time paid staff
- Continued year-round programming with **Flagship Internship Programming** and piloted **UpStart Projects**
- Increased employer partners for fall Projects by **70%**
- **Tripled** the total number of employer partners and retained **100%** from last year
- Received over **700** total volunteer hours and added **13** new coaches
- Continued to increase **alumni involvement** throughout the organization:
 - **Staff Members**
 - **Board of Directors**
 - **Program Coaches**

Last year, we were so close to reaching our goal and your donation could make all the difference. This year, we are striving to raise \$125,000. With your support, we can do it!

Thank you!

La Tasha Shevlin
Executive Director
